

Data Voice Outlet

NEX1's unique little boxes house the Keystone jacks. The low profile Data Voice Outlet (DVO) accepts single or dual-jack with easy installation.

Features:

- Secures the box to any surface, drywall, baseboard, and even modular furniture
- Mounts easily with supplied screws or double-sided adhesive tape
- Indent for labeling behind a transparent clip-on cover
- All-in-one ID cap and dust cover design
- Built-in ID cap and dust cover for rigid protection

Physical Specifications

- ◆ Apply UL-94V-0 high-impact, fire-retardant ABS material
- ◆ Dust covers for dust and dampness protection

◆ Data Voice Outlet
